

Objective : Actively seeking UX internships for Summer 2016.

Education

May
2017

University of Michigan School of Information, Ann Arbor, MI
Master of Science in Information (Specialization: HCI)

- Explorify: An application that encourages people to spend more time together. Designed from scratch, explored the problem space in detail. Iterated and designed the final prototypes, securing an 'A' in the course.
- Smart Lid: Design idea that helps the visually impaired cook. Developed prototypes for CHI Design Competition 2016.

Dec
2012

University of Mumbai, Mumbai, India
Bachelor of Engineering in Computer Engineering

Experience

Present

2015

Design Clinic
Apprentice II

- Pix Up : 'Uber for X' for hauling startup. Researched feasibility, developed product idea, designed interactive prototypes and user tests.

Jul
2015

Seclore Technology, Mumbai, India
Senior Software Engineer

- Developed server side component for company's Information Rights Management product.
- Simplified user on-boarding for the product. Minimized drop rates when a new user interacted with the product. Enriched product interaction for an existing user.

2014

Software Engineer

- Simplified the login process and shortened from confusing two-step process to single step.

2013

Trainee Software Engineer

- Provided consistent UI and UX across the web portal across multiple languages.
- Led product release cycles and ran product development sprints in agile fashion.

2012

Activities & Organisations

Present

Student Organization of Computer Human Interaction (SOCHI)

- Design Jams: 3M - Littman® TeleSteth™ System, Squibit - App redesign, Amazon - Encouraging casual browsing among users, Fjord - standalone voting system, Farm Logs - user flow redesign.

2014

Coursera : HCI with distinction

- Developed final prototype of dashboard – MyNextMove through user research, iterative prototyping and user testing.

5k run in Puma Urban Stampede, Mumbai

2012

Students' Council, TCET

Creative head

- Sojourn 2012 (Annual cultural festival): Designed backdrop and invites.
- Sojourn 2010: Won tattoo making competition.

2011

Computer Society of India, TCET

Working Committee head & Organizer Zephyr (Annual inter-college technical festival)
