Objective : Actively seeking UX internships for Summer 2016.

Education

May 2017 — **University of Michigan School of Information, Ann Arbor, MI**
Master of Science in Information (Specialization: HCI)

Dec 2012 — **University of Mumbai, Mumbai, India**
Bachelor of Engineering in Computer Engineering

Experience

Present – 2015 — **Design Clinic**
Apprentice II

Jul 2015 – 2012 — **Seclore Technology, Mumbai, India**
Senior Software Engineer

- Developed server side component for company's Information Rights Management product.
- Simplified user on-boarding, login process for the product. Minimized drop rates when a new user interacted with the product. Enriched product interaction for an existing user.
- Provided consistent UI and UX across the web portal across multiple languages.
- Led product release cycles and ran product development sprints in agile fashion.

Relevant Work

- Explorify: An application that encourages people to spend more time together. Designed from scratch, explored the problem space in detail. Iterated and designed the final prototypes, securing an 'A' in the course.
- Smart Lid: Design idea that helps the visually impaired cook. Developed prototypes for CHI Design Competition 2016.
- Pix Up : 'Uber for X' for hauling startup. Researched feasibility, developed product idea, designed interactive prototypes and user tests.
- Developed final prototype of dashboard – MyNextMove through user research, iterative prototyping and user testing.
- Redesigned 3M - Littman® TeleSteth™ System to enable better user experience.
- Ideated and coined up ways to extend Amazon shopping app experience to encourage casual browsing among users.

Activities & Organisations

Present — Student Organization of Computer Human Interaction (SOCHI)

2014 — Coursera : HCI with distinction

5k run in Puma Urban Stampede, Mumbai

2012 — Students' Council, TCET
Creative head : Designed stage backdrop, invites for annual cultural festival.

2011 — Computer Society of India, TCET
Working Committee head & Organizer Zephyr (Annual inter-college techinal festival)

Summary
- UX Design
- UI Design
- Product Design
- User Research
- Coding

Prototyping
- Invision
- Marvel
- Balsamiq
- Power point
- Adobe Illustrator
- Paper

Programming
- HTML
- CSS
- JavaScript
- jQuery
- J2EE
- Python
- SQL

Project Management
- Agile

Languages
- English
- Hindi
- Marathi
- German

Objective

Seeking UX Internship opportunities for Summer 2016

Education

AUG 15 - MAY 17
Master of Science in Information (Human Computer Interaction specialization)
University of Michigan School of Information, Ann Arbor

SEP 08 - MAY 12
Bachelor of Engineering in Computer Engineering
University of Mumbai, Mumbai

Experience

SEP 15 - PRESENT
Senior Design Consultant, UMSI Design Clinic
Built a product idea for a startup right from researching feasibility to high-fidelity prototypes that were user tested.

JUL 12 - JUL 15
Senior Software Engineer, Seclore Technology
- Led product release cycles and ran product development sprints in agile fashion while developing server side component for company's Information Rights Management product. Successfully brought about six major releases and several bugfixes in production.
- Simplified user on-boarding, login process for the product. Minimized drop rates when a new user interacted with the product. Enriched product interaction for an existing user.
- Localized UI and UX for the web portal across multiple languages. Increased the reach of the product to more than four geographies.

Relevant Work

Explorify - *Mobile application that connects people offline*
Designed from scratch, explored the problem space in detail. Iterated and designed the final prototypes, securing an 'A' in the course.

Smart Lid - *Cooking for visually impaired*
Developed idea and prototypes for CHI Design Competition 2016.

Pix Up - *'Uber for X' for deliveries*
Researched feasibility, developed product idea, designed interactive prototypes and user tests. System would go into development soon.

MyNextMove - *Dashboard for a to-do list*
Developed final prototype of dashboard – through user research, iterative prototyping and user testing.

Activities & Organizations

- Volunteered at Ann Arbor District Library for MLK Service Day.
- Completed 5k run in Puma Urban Stampede, Mumbai.
- Led the creative team and designed stage backdrop and invites for annual cultural festival.
- Organized annual inter college technical festival - Zephyr.
